## 3. Providing your Tax File Number (TFN)

Under the Superannuation Industry (Supervision) Act 1993, your superannuation fund is authorised to collect, use and disclose your TFN. The Trustee of your superannuation fund may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request the Trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

Declining to quote your TFN to the Trustee of your superannuation provider is not an offence. However, giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- Your superannuation fund will be able to accept all permitted types of contributions to your account(s).
- Other than the tax that may ordinarily apply, you will not pay more tax than you need to this affects both contributions to your superannuation and benefit payments when you start drawing down your superannuation benefits.
- It will make it much easier to trace different superannuation accounts in your name, so that you receive all your superannuation benefits when you retire.

Your TFN will otherwise remain confi	ential.
