2. Opt-in for insurance

I wish to start or maintain the following types of insurance cover:

Death and Total and Permanent Disablement (TPD) cover

Income Protection cover (if any)

Note, if your insurance fees are paid by your employer, you will receive automatic insurance and do not need to opt-in. However, if you are transferred to another division of the Fund you will need to opt-in. This could happen, for example, if you leave your employer.

Important information to note

- If you opt-in we will maintain your insurance even if your account is inactive for 16 months or more, or your account is transferred to another division of the fund (this could happen, for example, if you leave your employer).
- By opting-in you acknowledge that you understand the effect this may have on your account balance and you do not require any further information.
- Limited cover may apply for a period, if you opt in after joining. Please see your Insurance, Fees and Costs Guide for more information.
- If you do not opt in to any cover at this time, when you are at least 25 years old and you have a balance of \$6,000 or more, cover will automatically commence (eligibility requirements and limitations may apply).
- If you choose to opt in to some but not all of the insurance cover available to you, you will have to reapply if you would like that cover in future.
- Insurance fees will be deducted from your account while you have cover, unless your cover is paid for by your employer.
- You can change or opt-out of (i.e. cancel) your insurance cover at any time by sending us a completed Request to Change Insurance form, available at nationwidesuper.com.au/forms or by calling us on 1800 025 241.
